“ *To the Friends and Family of Chachi, My heart goes out to each and every one of you during this unimaginable time. Losing someone as full of life and love as Chachi leaves a space that words can hardly fill. His laughter, his spirit, and the memories he created with so many of us will never fade.*

May we find comfort in the moments we shared and strength in each other as we remember the beautiful soul he was. Though his time here was cut short, his impact will live on in our hearts forever.

Fly high, Chachi — you'll always be missed, but never forgotten. 🕊️
