“ You'll always be in my heart, we had a very interesting 15 years together. Yesterday was the twins 16th birthday, you were with me. Everytime you wrote me when I was gone you always put H.O.L.L.A N.D I asked you what that meant. You said "Hope our love last and never dies" we never lost the love and caring for each other, we just went different directions. Rest In Heaven Slim!!
