“ Hi my Big Stinky. Every day is a struggle without you. Everything around us reminds us of you. I sit on the love seat and still picture coming down the stairs ever day with a big smile... "Hey Mrs. Shawna". Texts every night wanting to know whats for dinner. Seeing you in your brother and sister. Watching daddy stair as though he is empty. Talking to grand baby trying to let help him understand why daddy's not coming home. Talking to my daughter-in-law who hates her new life. Adjusting is the worst thing ever. I miss you sweetie more then words tiers can ever show or express. But the only thing that helps is knowing you are not in that bed anymore and free of all the pain. Love you...

“ *What an honor it was to watch Jamaal grow up into an amazing young man. He was a great father, husband, musician, and respectful young man. Any mother would have been proud to call him son. Thank you Boom for sharing him with us all.*
