### Obituary:

Johnell Pimpton, Jr. was born December 26, 1971, to Johnell Pimpton, Sr. of Waco, TX & Mozell Spencer of Chickasha, OK. Johnell's childhood years were very eventful. He spent time with his two brothers and sister. A lot of extensive traveling between California and Oklahoma.

Johnell Pimpton, Jr., (aka John, John) was an insanely quiet man. If he never said a word, you would never know he was there. He had a impeccable taste for dressing. His attire was second to none. He was equally enthusiastic about cars.

Everyone loved John.

Johnell was a hard-working man, he could work in the filthiest conditions without getting dirty. He was admired by everyone he encountered. It was his gift.

Even though he was quiet, John-John, had a unique sense of humor. He laughed loudly. His laughter was so loud, it would cause those around him to join in the laughter.
