“ I often talked to my brother in hard times. We would talk about our training. Compare our catch of the day, our rifles. I'm going to miss the endless knowledge. I remember him saying once, " if I say I forgot a conversation its because I don't want to talk about it". Rest easy with Mom, Dad and Chris

*If Rose's Grow In Heaven*

*If roses grow in heaven Lord, please pick a bunch for us. Place them in our Brothers arms and tell him they're from us.*

*Tell him that we love and miss him and when he turns to smile, place a kiss upon His cheek and hold him for a while.*

*Because remembering him is easy. We do it every day. But there is an ache within our heart that will never go away.*

“ *I spent many evenings with Ben at TMA Chickasha as a fellow student and teacher. Ben was a good teacher and cared for the students. He took the time to determine what he thought each student needed and then tried to provide instruction that would help each student. Ben was always thinking of how he could help the other guy. Ben was very generous with what he had and with his time.*

*I will miss Ben. Deborah Moon*

“ Ben was far more than a martial arts student and an Instructor, he was a mentor, role model and to so many, a friend. For the past 2 decades, Mr Ben, as everyone lovingly called him, has been a cornerstone to the TMA studio. He was always there to offer extra help, share a quick moment or give his best effort to brighten your day. He was selfless, caring and generous. He loved martial arts and adored all of our TMA students and families, especially the kids. We are all deeply saddened by his passing, but his memory and legacy will live on through all of the lives he has so positively touched.
