“ Kim was my sons mother in law for 12 yrs. Even after that she continued to be his 2nd mom for the years up to his death. She treated him and our family like her family. She was so good to him. He loved her and she loved him tremendously as her son. She had a wonderful sweet personality and lit up a room with her beautiful bright laugh. She will be dearly missed and was loved by so many! My heart thoughts and prayers are with her family and her children Wynde and Cory RIP sweet lady
