“ Little Larry, it's been a long time since I have seen you, you grew up to be a awesome young man. I remember when you came to stay with Andre and I, you wee so wild and full of life. Andre use to get mad at John and I because you were so close to us. I remember when you ratted on Andre he was so mad at you, Andre still talks about it. You loved your Aunt Anne. I may not be around any of you all, but in my heart is with each and everyone of you are. I am deeply saddened by this unexpected loss and I too share your grief. death is never easy to accept. If any of you need i am just a phone call away.
