“ My cousin June was my mom’s niece & just 2 years younger than her....and like sisters. I really missed her when she left California but enjoyed our telephone calls. She always had a smile on her face. One of my funniest memories of her was the “black ice” fiasco. There will never be another. I never come to Oklahoma in the summer but, for you my love, I’m here. Hug & kiss my mommy for me....until we all meet, again... JulieRichardson
