Ossie V. Martin was born on September 9, 1935, to Mr. and Mrs. Jessie & Laura Martin in Vernon, Texas. She was the eldest of 3 sisters and 2 brothers. Ossie met and fell in love with Edward B. Rodgers and were united in holy matrimony. Five children were born to this union. Ossie worked for many years in the restaurant business from Lawton, OK to Altus, OK. She enjoyed playing softball in Altus.

Ossie was a caring, generous, and open-hearted lady. She never met any strangers and welcomed anyone into her life. Ossie was a friendly woman who could start up a conversation with anyone she met. She had special friends both near and far. Ossie accepted Jesus as her Lord and Savior in her later years of life. She enjoyed the people of God.
