“ Robert Wow!! I am in shock!! I can't believe that u r gone. My heart is very heavy. U were such a joy to many. A very selfless person and someone that I was proud to call my friend. You were more like family in my eyes. I know that God makes no mistakes and you.....I know you have received your wings because an Angel you were. So sweet and humble. You will always hold a place in my heart. I love you and miss you sooo much. We had so much fun. We shared laughter and sadness but we always had each other through it all. The good and the bad. My buddy!! Prayers for comfort during this difficult time for your family. So many memories. Until we meet again....memories are all I have. ❤️
