“ *Our sweet Spirit, how we miss you so. We didn't put up our tree this year because you weren't here to decorate with us like you did the last two Christmases. It just isn't the same. Ruby and I will miss you every second of every day. You brought our family so much love and joy. I will always be your substitute m Mom and I'm so glad you loved me enough to call me that. I will miss taking you back and forth to choir rehearsals and having sleepovers so that you and Ruby could tell me all the tea and explain all the latest trends. I will miss your exuberant greetings and strongest hugs. You have so many friends that showed up for you and fought to have you returned to us so that we could pay our respects how you would've wanted. I'm sorry you were robbed of that beautiful tribute that so many of your friends and chosen family wanted to give you. You will live in our hearts forever, our sweet Spirit.*
