“ My condolences to my dear friend's family, loved ones and all grieving the loss of her life, although I know she is at peace and with the Lord, it was hard to say goodbye to her yesterday. I know that I will one day be reunited with her in Glory, but until then, make an attempt every day to do good things or deeds plus honor her memory.

“ You will be missed by so many. I am forever thankful for all of the wonderful memories we have, singing way to loud in the truck, the laughs shared, the trouble we got ourselves in back in the day and the tears we cried. Go give my little girl some hugs, hold her tight and take care of her for me until I get there like we talked about. The world isn't as colorful without you in it.
