“ *"I NEVER LEFT YOU"*
I watch you every day I am always very near I know deep in your heart You realize I am here I watch you while you sleep In your bed at home I hear you when you speak to me me when you are on your own you cannot understand the reason why I have gone but I will never leave you I am there to keep you strong talk to me I hear you though you though you may not see We share an unbroken bond that will always be Death won't keep us apart for our love is forever Just remember me in your heart And one day we will be together Live your life and live it full Don't waste a single day remember I am always with you every step of the way
