My heart is so heavy. I called him Uncle Vernon, and he treated me like his own family! He was a sweet and loving man, and he will be missed terribly!

Miss you my spiritual brotha. Since we were at NW I knew you were special, walking me to my class daily carrying my books lol. I'll see you on the other side. Talking to you months before you died makes me wonder if you knew what was coming. Wish I had known. Oh, how I wish I had known. I only pray your children and loved ones surrounded and supported you as you transitioned to the other side. I come here to visit occasionally. Miss you Vernon. My dear, dear friend and brother from another mother. ❤️
