“ My dearest brother and best friend. I can not believe you have been gone almost 1 year. I miss you so much and you will never ever be forgotten. You will forever be in my heart and I think of you very often. You left to soon and that I wasn't expecting at all. When I got that phone call, I immediately left Texas to come be by your side. I gave you your flowers while you lived and I am okay. God knew best and we knew less. The past few months before you left, each time I tried to come home you would always make excuses for me not to come. I am not sure if you knew what was going on and you hid it from me. I just wish I had known, because you know I would have been there in a heartbeat. Whatever you were going through, I would have been right there with you every step of the way. You would have not had to walk it alone, because I would have been by your side. I miss your calls, us hanging out at my special place when I came home. I haven't been home since you left, I just wasn't ready because I always stayed at your house, and that wasn't possible anymore. Say hello to Mama, Lamont, Mark & Cecil. You all continue to take care of each other until we all meet again. I love and miss all of you.

“ *All I can say, is unbelievable. It's hard to comprehend that your presence is no longer on this earth. It's going to be different coming back to Lawton and not stopping by to see you.*

God's got you now, so rest easy my friend, and save me a peanut butter and jelly sandwich.

“ *My friend, my buddy and who once was my dear Husband, you will be truly missed. The holiday text you always sent, the Birthday Wishes, the messages just to say hello. My visits to Lawton won't be the same. You would pull up to where ever I was staying and have something for me. Then let me know you still Loved me and in return I would let you know I also Loved you. You are now able to see Bishop and catch up. He admired you as you did him. Walt you went to soon. Rest in peace until we see each other again. I was your 1st and only wife and long time friend all the way to the end. Nothing nor can anyone take that away. Family my sincere congratulations to you. Walt Rest In Peace.... Love Brenda (Knight) Allen*

My condolences to you for your loss but he murdered someone's mother. Shot her in the head twice and then tried killing himself like a coward
